FOREWORD

The theme of the 1965 Echo is the spirit of Canton High School; the spirit that lies beneath the occasional apathy and complaints which may be outwardly exhibited, and which shows itself on class trips, in the crowded halls, and even in defeat. Spirit is the bond which holds us together today, and which will hold together our memories tomorrow. It is undefinable and cannot be conveyed only in words. Thus, these pages will be translated a little differently by each person according to his own memories; yet each will, in his own way, be recapturing the spirit of Canton High.

DEDICATION

Everybody knows Mr. Badoian—wizard mathematician, efficient coach, master of the witty comeback, clown of the faculty-student game. These things make him well-liked, but this dedication is made for deeper reasons. Mr. Badoian, perhaps more than any other teacher, has conveyed to us a sincere love for learning; by drawing us out by making us think, he gives us the gift of knowledge. Yet in his search for truth, he always remains so very human. Thus, with respect and gratitude, we dedicate the 1965 *Echo* to Martin J. Badoian.

EDITORS' MESSAGE

The 1965 *Echo* is a result of many long hours of work—of arguments, of compromise, and of late nights. For in this year's book we have attempted to balance tradition and new ideas. While the *Echo's* focus is, of course, on the class of '65, this book is intended as a record of the events and activities of all students of Canton High. However, though this book cannot encompass everything that has happened, we present here some of our favorite memories—we hope they will also be yours.

ADMINISTRATION and FACULTY

SUPERINTENDENT

To the Class of 1965:

Congratulations and best wishes to all of you! You have reached an important milestone in the journey of life.

I hope that in the years ahead you will keep in mind that hard work, study, and devotion to duty are most important if you want to succeed.

Sincerely,
William H. Galvin
Superintendent
of Schools

PRINCIPAL

To the Class of 1965:

Congratulations to all of you for reaching this plateau in your educational lives. While this accomplishment has been made through hard work, let it serve only as a preface to greater success in the future.

Come back often to share your achievements with us.

Robert J. O'Donnell
Principal

Canton Girl Wins Award

Dulda Barbaglia has been named Canton High School's 35 Betty Crocker Homemaker Tomorrow. She scored highest in a written homemaking competition taken by senior girls Dec. 1, and is now eligible for state and national honors.

Best papers of all homemakers of Tomorrow state are currently being judged. The state's winning girl will receive a scholarship from General Mills, sponsor of the annual Betty Crocker Search for the Best Homemaker of Tomorrow. She will also be named the state runner-up and awarded a \$500.00 scholarship. In addition, the winner will receive a copy of the Encyclopedia Americana from Encyclopedia Britannica, Inc.

Later this spring, the homemaker of Tomorrow will be named with a school-wide contest. Girls will join first-place winners from each of the other states and the District of Columbia in a tour of Williamsburg, Va., Washington, D.C., and New York City. The week-long tour will include the naming of the Betty Crocker American Homemaker of Tomorrow. To be chosen, girls must be chosen by a panel of original test judges and by personal observation a

Canton High School Band Invited to N.Y. World's Fair

By DEBORAH STUART

The Canton High School Band has been given the privilege of performing at the World's Fair this spring. Since an invitation of this sort is extended to every band, our band, drill team, and majorettes are very honored.

recognition has a lot of enthusiasm and members and other people. It is his enthusiasm to many more.

total cost of the tour is to be raised by the members, is approximately \$10,000. The band members, Gregor, has contributed a lot of his time and effort to the money-raising. Their first venture was the Christmas tree sale, which was a success. The Faculty have given a Whist Party. Students of the band have formed a band and Parents Association to raise funds.

March 14, the High School will perform its concert. The proceeds of the concert will help to pay for the trip. The concert will range from 7:30 to 9:30 in the very first row. This year the band is losing a large number of members, many of whom have been in the band since freshman year. As an added feature, every senior will perform a solo or a group. The original composers are: Janice Jeffrey Coady, C. no, Robert Remick, and Wendell. Also in the program are several pieces by the Dance Band. This year's concert is a great success.

Girls' Varsity Basketball

By Zoe Enright

There is a girls' basketball team today. Last week we had a game, but that was a loss. We heard the time we're there, with the Sharon team. The game starts at 7:30. We have the hall, a game. The rest of the players on "Gladie," we've got a basketball. "Once more, S. It's just off the rim; now the other team has it but they won't have it. "Grab it!" "Jump in. "That's the way!" Now it

O'Dell.

Basketball Team

On January 12th, Canton was defeated by Sharon in a basketball game, 45 to 42. Canton led in the first and second quarters. At the beginning of the third quarter, there was one point between the two teams. Sharon scored a basket to win the game. Scorers were: Brad-ley, Marum, Knox, Hannon, and Foley.

Canton came very close to its first win on Jan. 15 in an overtime game against Randolph. The final score was 53 to 51. By the half-time Canton had an eight point lead. They were still ahead of their opponents by the middle of the third quarter. The Randolph team started to move ahead. In the fourth quarter, the two teams rallied for the lead. With less than a minute to play, Randolph scored two points that won them the game. The scorers for Canton were: Tom Hannon (14), Tom

The Varsity Basketball Team, coached by Mr. Badoian, won its first game in two years on Jan. 19. They defeated Mansfield by a score of 81-70. The high scorer was Hannon, who scored twenty-one points for the Canton team. Mark Bradlee and Tom Russell each scored eighteen points; Ray Benkhart—twelve; Marum—seven; and Larry Knox scored four.

Canton High lost to King Phillip by a score of 61 to 58. Canton had control of the game during a good deal of the time, but King Phillip came back in the last minutes of play. The scorers for Canton were: Tom Russell (20), Tom Hannon (16), Mark Bradlee (12), Larry Knox (4), Ken Smail (4), and Ray Benkhart (2).

The course itself is sophomoric, and it is a survey of the history of Philosophy. He based on the problem people have had. Too many people are self-centered and worrying about their own problems. The students were reading about the men of these similar ideas and many years ago. The course will date back almost to the pre-historic man.

Seniors, as well as other students, need direction sources of their many ideas. This course will give a student that his problem is universal. Although some do not agree, students are

DRAMATICS

Under the capable hands of Miss Marie Fish and Mr. John Judge, the Dramatics Club has, for the past five years, been successfully staging musical comedies. In the past three years, the members of the club have broadened their horizons and have produced the hit Broadway musicals *Bye, Bye, Birdie*, *L'il Abner*, and this year, *Wildcat*. However, the success of these plays in Canton has been achieved not by a well-known title, but by long hours of rehearsing lines, dances, and songs.

CLUB

The three months of rehearsals are climaxed by an "opening night" which is as exciting to the amateur of C. H. S. as a Broadway opening would be to professionals. It is on "opening night" that a new member learns the value of rehearsing a scene just "one more time". They find the enthusiastic applause and the warm acceptance, well worth the hard work.

In $\triangle ABC$ $m\angle B = 45^\circ$, $AB = 18$ in. and $AC = 6\sqrt{6}$ in.

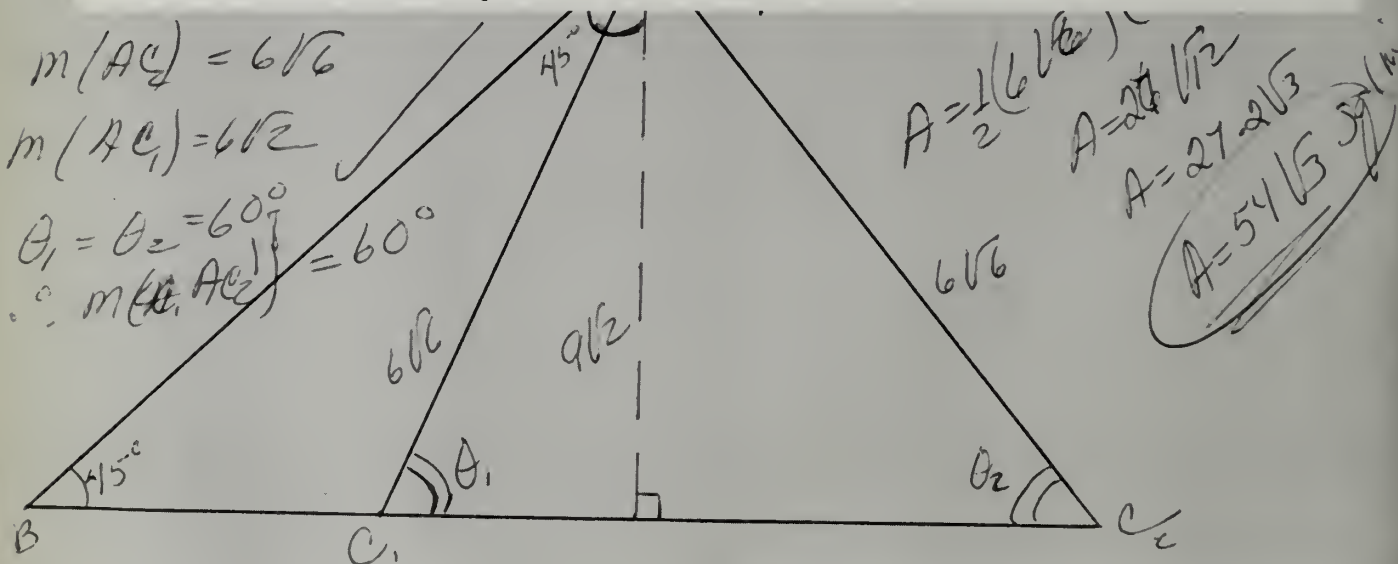

Answer $54\sqrt{3}$ in.

Find in exact form the difference in area between

the possible ABC triangles that can be found with this data.

Left to right: B. Smith, A. Szekely, D. Mackiernan, I. Marsh, A. Bromberg, W. Gustafson, F. Bender, Mr. Badioan, Coach, S. Conen, J. Wendell, N. Cleveland, L. Marsh, F. Page.

$$18 \cdot \frac{1}{\sqrt{2}} \cdot \frac{\sqrt{2}}{\sqrt{2}} = 9\sqrt{2}$$

$$\sin A = \frac{9\sqrt{2}}{6\sqrt{6}} = \frac{3\sqrt{2}}{12} = \frac{\sqrt{3}}{2}$$

$$\theta_1 = 60^\circ \quad \therefore \theta_2 = 60^\circ$$

$\triangle ABC$ - equilateral

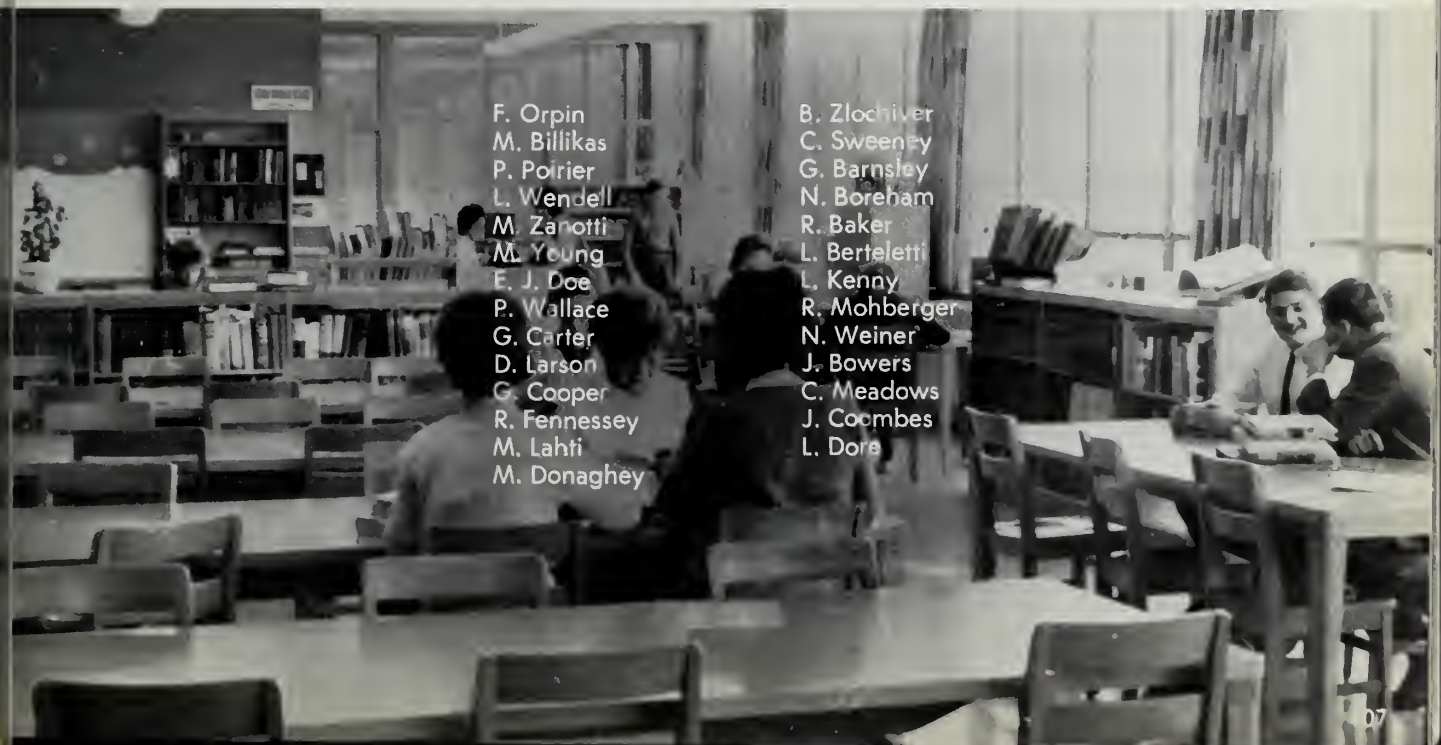

This was Canton High's first year in competition with 47 other schools in the Greater Boston Math League. The schools compete in 6 areas: arithmetic, algebra I, algebra II, geometry, trig, and a team problem. After 3 of the 4 meets, Canton placed first, with Brookline High second, and Boston Latin in third place. Andrew Szekely and Ann Bromberg scored the most points in their Cleveland, and Linda Marsh also competed for respective grades. Debbie Mackiernan, Natalie Canton High in the meets.

DEBATING CLUB

Being on the Debating Team, a student is able to express his views on a timely subject. The team that can express itself the best is the winner. But the team is not completely intellectual. Debating is a sport in which competition is fierce and a victory well earned. This year, under the leadership of Mr. White, the team participated in the South Shore Debate League.

BULLDOGS OF CANTON HIGH

The Bulldogs of Canton High, with Co-Captains Bruce Becker and Dave Johnson, fought their way to one of the most successful seasons in recent years.

The first taste of victory came in the second game, when Canton came face to face with the strong King Philip team. K. P. took an early lead of 6-0. But a fighting Canton team pulled out a 16-12 victory.

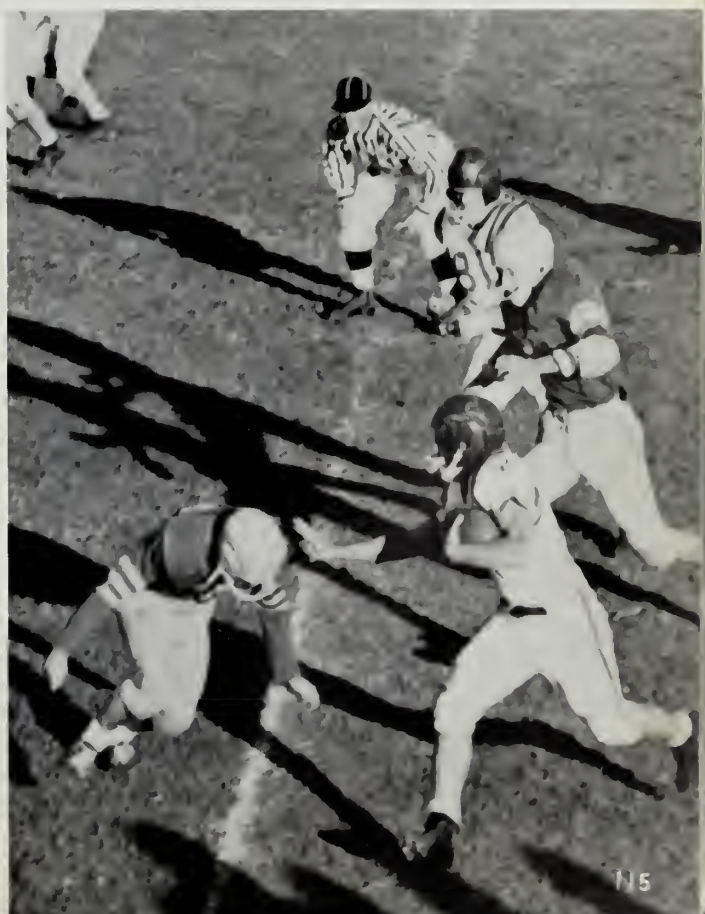

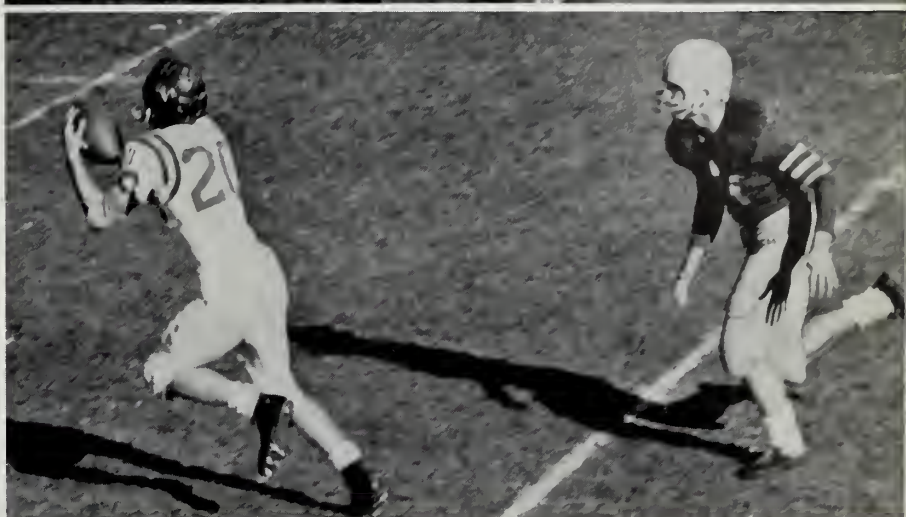

The following two games also proved to be fruitful to Canton, as the Bulldogs defeated Foxboro 28-21, and Mansfield 14-0.

In the traditional Thanksgiving Day game, Canton met a powerful Stoughton team. The only bright spot of the day was when Joe Macari, in the second quarter, went over for the lone touchdown as Canton went down fighting in a 26-6 defeat.

FIELD HOCKEY

This year Canton High's field hockey team recorded its best season in the last ten years. At the beginning of the season the girls picked their officers: team captain, Diane Webber, and manager, Maureen Holland. Spurred on by the able coaching of Miss Hayes and through the great effort and spirit displayed by the girls, Canton overcame the plague of being a new and inexperienced team. Canton went on to finish with a 5-2-1 record, ending up in the third place slot of the Hockamock League.

CROSS COUNTRY

Canton High's Cross Country team had another winning year, coming out of the season as league champions. Canton ran through all competition until defeat came at the hands of Randolph in dual competition. In the championship meet held at Randolph, Canton defeated all schools, including Randolph. Coach George King deserves a great amount of credit for bringing home a championship team.
